

# DEVIL YOU KNOW

## BAND BIO

There is a lot of tremendous talent found in the New York/New Jersey music scene. However, a common epidemic infects the cover band circuit...tons of great bands playing the same tired songs. Well, that's all about to change. Welcome to the stage, DEVIL YOU KNOW! Going against the grain of the typical party-pop cover band, DEVIL YOU KNOW fires out your favorite Hard Rock/Heavy Metal hits from the 70s through today. From Black Sabbath and AC/DC to Metallica and Guns 'n' Roses to Soundgarden and Alice In Chains to Pantera and Rage Against the Machine, DEVIL YOU KNOW leaves no gray area when covering the entire genre of Hard Rock and Heavy Metal. This 5-man audio attack is the missing link the cover scene has been looking for. A DEVIL YOU KNOW show speaks for itself with a high energy performance and a rapidly growing fan base. Playing the edgier tunes with power and conviction, DEVIL YOU KNOW is the cure for the common cover band. Prepare to be rocked!!!

### DEVIL YOU KNOW is:

Philip Salveggi – vocals  
Scott Montague – guitars  
Bobby Turano – guitars

Dave Tronccone – drums

*" ... I must write to let you know that this was one of the best cover bands I have seen in recent years. This was their first club gig and they packed and rocked the house. All the 'Beemers' regulars were saying that it was one of the busiest nights they have seen and one of the best bands to hit the house in quite awhile. I really think that your magazine should give them a mention and in case you doubt my input, their next show will be at Hartley's on the Belleville Pike on the North Arlington/Kearny border May 31st. Their playlist includes rock hits of the 80's, 90's and the present. If you don't give them a shout out in your magazine based upon what I write here, be at the show -- you won't be disappointed."*
